Brisbane Olympics 2032

A Games for all of Queensland.

In 2032, The Olympic Games will be largely hosted across Brisbane, Gold Coast and the Sunshine Coast.

The Games will put south-east Queensland on the world stage and will generate an estimated \$8.1 billion in benefits to Queensland.

Being a part of the 2032 Olympic and Paralympic Games will create an Olympic legacy for the Gold Coast.

In a world of universities,
go to the one that
stands out
